

## Western Dales Mission Community Prayer Gatherings

From January 2018 the Western Dales Mission Community are trialling a rota of prayer gatherings, moving around the area and meeting in each place of worship over the initial 5-month period to spend a short time in prayer for the community. This can be a time of open prayer, praying from a prepared list of topics or using prayer stations, for example a cross, and can last for however long you like although we don't anticipate this being longer than 30 minutes. The style may be the same or different each time, it is entirely up to the host church. The most important thing is to gather together and pray for your community both inside and outside the church.
